Hutton House

Supporting youth & adults with disabilities

2015-2016 Annual Report

MISSION

Hutton House promotes and supports persons with disabilities through learning and life enhancing programs that focus on each individual's strengths, abilities and interests.

VISION

Persons with disabilities have equal access to participate in all aspects of community life.

PHILOSOPHY

The Hutton House philosophy is one of support, inclusion and a view toward participants and their families that:

- Fosters a climate of understanding and respect for the privacy, dignity and worth of each person.
- Respects and encourages personal choice and self-direction.
- Strives to support individuals by building on their strengths, abilities and interests.
- Promotes independence and involvement in the community.

VALUES

- We value inclusion and full participation in community life and will support and encourage individuals as they grow in their lives.
- We value the opportunity to collaborate and cooperate with other organizations to make the best use of community resources.
- We value excellence through competent staff and volunteers committed to high quality services and through accountability to the public and those we serve.
- We value innovation through the creative application of our resources in responding to current and emerging needs.

PRINCIPLES

- We will practice clear, open and honest communication.
- We will promote an environment where people feel safe, in control, comfortable and important.
- We will consider the needs of others and work together to achieve goals that cannot be reached alone.
- We will encourage participants to be actively engaged in directing their future.
- We will facilitate outcomes based learning as a means to achieve our Mission.

CUSTOMER SERVICE COMMITMENT

Our most important customer is YOU.

In a safe, supportive and respectful environment

We will work together

With open and honest communication

To enable you to discover and achieve your goals.

"Thank you so much for helping me find this incredible job with a car rental. I have had very big success in the job. Passing my three month period and from what the regional manager comment on me to another branch. I am the best car prep in the nation."

And so far I've washed over 7,000 cars in close to four months, which has been said as a ridiculous amount of cars for one person to pull off. So thank you again for your extremely gracious help in finding me this once in a lifetime job, that I love doing."

- Participant

Adult Education

The Adult Education program served 185 learners in group literacy classes in partnership with the TVDSB, tutoring and computer classes. Tutoring is now available two evenings per week. Five sets of early reading materials were completed and are available in digital format to be marketed to other literacy programs. Our poetry slam was very successful. We also celebrated learners' accomplishments at the Celebration of Learning and the London Council for Adult Education Lifelong Learner Awards. Hutton House's award winner was Luigi Fiorino

Access Voluntarism

Participants of the Access Voluntarism Program have enjoyed a successful year of volunteering, partnering with 50 Non Profits within the community. Our 100 active volunteers appreciate these partnerships and the opportunities they provide. In addition, there are currently 53 volunteers in the Storybook Gardens program that are busy keeping the park clean for the 18th consecutive summer.

Day Break

Day Break has been busy planting our garden and can't wait for the vegetables to grow. We have also enjoyed lunch at the Covent Garden Market, and trips to the Butterfly Conservatory, Grand Bend, Port Stanley, Canadale Nursury and walks at Springbank Park.

Day Break has welcomed 3 new participants to the program over the last few months and want to extend a warm welcome to them and their families.

Day Break will be having a Garage Sale on Sunday July 10, 2016 in the west parking lot at 140 Ann Street. Funds will support more day trips in the community!

LIFeworks 3

It has been a wonderful year in LIFEworks 3. Our program is officially full with twelve participants and two facilitators. We have made some great accomplishments this year and have had a lot of fun doing so. Some of our favourite highlights include fundraising for our trip to African Lion Safari, volunteering within our community at local yoga studios and The Food Bank, and mastering our cooking skills every Monday in the kitchen. We are currently working with Joe in employment, and even have a job opportunity lined up for one of our participants! We've also recently started developing goals that are personalized and aimed at increasing independence. We've been working hard, but always find time to play hard too. We're excited at what the next year will bring.

"I have known Kristy Hoornick for over 14 years. She has greatly impacted my life and well being, as I deal with MS. Kristy reached out to the MS Society some years ago to start a program to try and help MS suffers with stretching and relaxation exercises. She has subsequently gone on to help further our health by incorporating weights, circuit routines, etc, and giving more of her time weekly to MS people. She adapts all routines to fit the ability of each person as they progress and/or regress. She constantly brings new exercises to us and works one on one with us as she sees the problems that we are dealing with that particular moment/day. She is always looking for more ways to help people in general. She works with all ages, disabilities and fitness levels. She devotes her time and patience to every one in the community. It is her life – always giving to others and encouraging one and all. I would not be as well today as I am without the thoughtfulness, support and encouragement of Kristy. She is a very valued person in my world and this world."

MESSAGE FROM THE PRESIDENT

It’s hard to believe that 8 years have passed since I took on the role as President. Like anything in life I guess, if you’re having fun, time sure does fly by.

The one thing that stands out so much that I have learned with Hutton House is that sustained change and the cultivation of new and enlightened concepts and ideas has been the hallmark of this organization since its inception. The more an organization practices and embraces change as a way of life, the more people begin to see new opportunities for improving the way the organization conducts its business and for sharing new ideas and initiatives with others who may be able to benefit from what we have learned.

As we move into the next year we will carry on this tradition, Hutton House will be updating its strategic plan and looking well into the future. The Board will explore new goals and aspirations to see what Hutton House will look like in 2019. Our new plan will build on our past success and will continue to support our vision of “Persons with disabilities will have equal access to participate in all aspects of community life”. It will lead Hutton House towards an exciting future, enabled by staff and volunteers who believe in our vision. Let us not forget you; family, friends and those of you who trust us to provide you with the services you need; those of who trust us to help you achieve your dreams. It is the sum of all the parts that make this team great. It will be our collective energy that takes us to our next level.

I would like to thank Marilyn for all her years of guidance, leadership and devotion to Hutton House her impact on Hutton House is immeasurable. We will carry on and make Marilyn proud of the organization that she has helped shape.

On behalf of the Board, thank you all for your efforts.

Respectfully yours,

Paul Coulter

MESSAGE FROM THE EXECUTIVE DIRECTOR

While I have always been interested in social justice, it wasn't until I visited an institution in Alberta for persons with "severe mental retardation" that I realized what I wanted to do with my life. This was a far cry from where I was working in the CEO's office of a large corporation! At some point, everyone wants to be involved in something bigger than them self and this was my chance. I have been blessed by the 32 years I have experienced as the Executive Director of Hutton House. We have come from the darkness of institutionalization and sheltered work into the light of inclusive community living.

Over the years, Hutton House has often been a leader in promoting new ways of doing business. For example, I had the honour of chairing the committee that developed the first inclusion policy for the City of London. We received a provincial award for the Access Voluntarism program. We were the first "sheltered workshop" in the province to partner with the school board to deliver a literacy program. Day Break and a myriad of day programs were on the leading edge of service delivery and LIFEworks, as a fee for service program, is on the path of becoming a social enterprise. Just recently, we received the Human Services Award from Dale Brain Injury Services for the value their participants place on attending the Fitness Studio. Employment services have grown exponentially and every year 150-200 people with disabilities successfully find employment. And there is so much more!

The board has always held fast in our conviction for what we are doing, the path we are on, our vision. Collectively, we have worked to follow best practices and ensure that we have the resources and capabilities to meet the needs of participants and service delivery. When we listen to the community, we realize that not everyone has equal access to opportunities and we will always be challenged to do more!

To support our many diverse activities requires a strong and healthy organization. Clearly, our strength is primarily measured by the value of our services to our customers, those individuals we support on their journey in life. Our culture is the means by which we foster a work environment that attracts and retains a highly skilled and diversified staff; where one feels empowered to make a difference; where there is a sense of enjoyment, purpose and reward; and where we all feel connected to something greater than ourselves. This is what makes Hutton House unique. One employee described it in a different way – "I work like there is no tomorrow, but I have tomorrow organized just in case." It speaks to the passion and purpose of our work every day because every day we touch someone's life for the better.

Participants attend Hutton House to learn, to grow their skills and abilities and pursue jobs or volunteer roles in the community. Qualitatively, what sets us apart is the true belief in the potential of every person, listening to their dreams and goals, respecting choices, supporting self determination and mutually sharing responsibility for outcomes. Along with you, I have met so many interesting and amazing participants, all of whom have influenced and enriched my own life. I am so grateful for my experiences at Hutton House!

As I bid you adieu, please know that it has been my honour and privilege to work with so many talented staff, volunteers and board members over the years. I encourage you to work with passion, treat each other kindly, and rejoice in the successes of others, because that too is your success. However, the sweetest images in my mind will always be the joy, pride, confidence and excitement evidenced by an accomplished participant talking about their success.

Most Sincerely

Marilyn Neufeld

Hutton House Volunteer Hours

Volunteers are so very important to Hutton House. We thank the volunteers below for their gift of time, caring and sharing. In the 2015-2016 year, over 5,675 hours of volunteer service had been provided to our programs collectively. This is indeed significant since this time is given by 123 dedicated volunteers annually. 33 students on placement provided an additional 10,050 hours.

TREASURER’S REPORT

I am pleased to report on the financial position of Hutton House Association for Adults with Disabilities for the year ending March 31, 2016.

We received approximately \$3.5 million in various funding allocated for operating expenses during the year, primarily from the Ministry of Community & Social Services, the South West Local Health Integration Network, Human Resources and Skills Development Canada, Ministry of Training, Colleges and Universities, and the Ministry of Economic Development Employment Infrastructure. All funds were used to support individuals through our three locations: Hutton House, the Hutton House Learning Centre and Day Break. Other revenue includes the City of London, London Community Foundation, Westminster College Foundation, fees for service, and Hutton House Foundation.

Audited financial statements were prepared by Ford Keast LLP, Chartered Accountants providing an independent opinion on the financial position and operating results of Hutton House for the year ended March 31, 2016

The statement of operations indicates a current year excess of Revenue over Expenses of approximately \$9,800 (2014 - \$46,000 Deficit). This means we were able to deliver our services in 2016 within budget

The audited financial statements of Hutton House are used in reporting to government agencies and are available to the public upon request.

We move forward in an excellent financial position (surplus of \$1,064,000) and hope to expand our services to participants in 2017. Thank you to all of our funders, sponsors and volunteers for your continued support.

Peter Holland

MESSAGE FROM THE FOUNDATION

I am very pleased to report on another successful year for the Hutton House Foundation. With the continued support of Families and Friends we were able to raise much needed funding to bridge the gap between government funding and the program needs of the Participants. Hutton House served almost 700 participants this past year offering innovative programming, a fitness program that very recently received the Human Service Award from Dale Brain Injury Services and many diverse programs offered at 3 different locations. These great programs that the dedicated

staff at Hutton House provide encourages the need for the Foundation to continue working with our supporters and assist Hutton House financially. Last year’s Golf Tournament was a great day out for all of our supporters enjoying a beautiful day provided by our generous sponsors, our hosts, Westhaven Golf and Country Club and their beautifully maintained course, we look forward to another great turn out this year. The Hutton House Foundation Board of Directors would also like to congratulate Marilyn Neufeld on her retirement and thank her for her over 30 years of service to Hutton House, being a resource to the Foundation and her continued guidance.

On behalf of the Hutton House Foundation Board,
Thank you to all of you for your continued support!

Sincerely,

Dina Silvestro

The 19th Annual West Haven Charity Golf Classic for Hutton House was held on Wednesday, 15 July 2015. This is the single largest fundraiser for Hutton House raising \$30,500 in support of the 10 different programs offered at our 3 locations.

We are grateful for the wonderful support we received from our golfers, volunteers and many sponsors, especially our major sponsor, West Haven Golf & Country Club.

This is a fun event with a unique format! Golfers competing in 2 person teams play 6 Holes Best Ball, 6 Holes Scramble and 6 Holes Alternate Shot. Our entry fee includes lunch, golf and golf cart (shared), a spectacular gourmet dinner, prizes and lots of fun. Last year our Live Auction included such items as a London Knights Package, a Toronto Maple Leafs Package, and 2 Gourmet Dinner parties with the food prepared in the winner’s home by the West Haven Chef.

This year the 20th Annual Classic is being held on Wednesday, 13 July.
