Hutton House

Supporting youth & adults with disabilities

2016-2017 Annual Report

"The instructor and the course is very informative"
- OW Participant

MISSION

Hutton House promotes and supports persons with disabilities through learning and life enhancing programs that focus on each individual's strengths, abilities and interests.

VISION

Persons with disabilities have equal access to participate in all aspects of community life.

PHILOSOPHY

The Hutton House philosophy is one of support, inclusion and a view toward participants and their families that:

- Fosters a climate of understanding and respect for the privacy, dignity and worth of each person.
- Respects and encourages personal choice and self-direction.
- Strives to support individuals by building on their strengths, abilities and interests.
- Promotes independence and involvement in the community.

VALUES

- We value inclusion and full participation in community life and will support and encourage individuals as they grow in their lives.
- We value the opportunity to collaborate and cooperate with other organizations to make the best use of community resources.
- We value excellence through competent staff and volunteers committed to high quality services and through accountability to the public and those we serve.
- We value innovation through the creative application of our resources in responding to current and emerging needs.

PRINCIPLES

- We will practice clear, open and honest communication.
- We will promote an environment where people feel safe, in control, comfortable and important.
- We will consider the needs of others and work together to achieve goals that cannot be reached alone.
- We will encourage participants to be actively engaged in directing their future.
- We will facilitate outcomes based learning as a means to achieve our Mission.

CUSTOMER SERVICE COMMITMENT

Our most important customer is YOU.
In a safe, supportive and respectful environment
We will work together
With open and honest communication
To enable you to discover and achieve your goals.

ARTworks

Walk through the halls of our Main Building on a Wednesday morning and you are treated to the joyous sounds of participants belting out the best karaoke in the Forest City. From Elvis to Madonna, soundtracks of modern movies and Pokémon cartoon adventures, participants sing in front of a big screen while enjoying the praise from fellow participants and instructors. Wednesday afternoon the room transforms into a hangout for men. The den for men is where our Men's Club play cards, watch sports, eat snacks and work on projects with no one nagging them about whether they'll ever get done! While on Thursdays our Ladies' Club gathers to create lovely jewelry and crafts. They also learn new hairstyles and try new recipes in the kitchen with no one complaining about the ingredients! Many of our participants also have a flare for drama and you will find them in Theatre Improv or Theatre Group staging entertainment for all to enjoy. Bob, their long time instructor says it's so beautiful to see people come out of their shell.

Fitness

The seniors' program is involved in yoga, pilates and tai chi to incorporate the "Mind Body Experience". Participants enjoy the Smoothie Bar class, a 90 minute circuit and then socialize with a healthy smoothie. The Microwave Chef participants are making healthy and cost effective meals and snacks. The fitness and art program has partnered to create a class where the clients do art and then a type of exercise. They want to do a mural on the gym's back wall. Two of our participants are fundraising to become certified Can Fit Pro Personal Trainers which will help fill the gap of personal training for our clients. We have a strong partnership with Fanshawe, with 6 placement students. Our on-line Adaptive Fitness Workshop has launched starting with some Fanshawe students. This summer we are working with community partners such as Purdy Natural and EleSence to host workshops such as bath bomb and clay mask making adding in some healthy cooking and some fitness into the combo. We are launching a workshop about dog safety and what to do if you are approached by a strange dog or if you see dogs fighting etc.

LIFeworks 4

Lifeworks 4 started in the Fall of 2016 and ever since has been very busy! The program is focused on acquiring practical life skills in an engaging atmosphere. We provide opportunities to socialize with peers, gain independence skills, explore our city and surrounding areas, and learn more about the world. On a typical month we go grocery shopping, cook lunch, workout, practice academic skills, create DIY projects, and go on road trips. Occasionally, we celebrate holidays, bake treats, and fundraise for special outings. This past month we have learned about ecosystems and adding, visited the village of St. Jacob's, took the city bus to go bowling, and celebrated Star Wars Day. In the summer months we will be volunteering with Storybook Gardens, having iPad training sessions, and introducing planning skills, where participants will be given a role for planning our road trips, activities, projects, and meals. Through all our efforts we hope to increase the participant's independence, giving them the confidence and skills necessary to achieve their life goals.

JOBworks

JobWorks, fiscal year April 1st 2016-March 31st 2017..... It has been a productive year with the program and the first full year with Katerina White working together with Joe Gansevles. The program has been able to expand its goal of placing participants in meaningful employment that has offered our participants ongoing employment that lasts. JobWorks has been able to partner with many new employers during this period and have continued to increase the number of participants we are able to serve year after year. Moving forward to our next contract year it is our goal to increase ability to offer the same strong client and employer customer service. Our clients often note to us, that we helped them find their dream job.

MINUTES OF THE ANNUAL MEETING OF HUTTON HOUSE

June 15th, 2016

- 1. Call to Order**
The meeting was called to order at 4:10 p.m. by President Paul Coulter who welcomed about 50 attendees on behalf of the Board of Directors. The meeting was held at the Wonderland Road location.
- 2. Motion: Approval of the Minutes of the Annual Meeting of June 17th, 2015.**
First: Jean Knight
Second: Gord Nudds
Motion: Carried
- 3. Motion: Approval of the Audited Financial Statements for the year ending March 31, 2016.**
First: Nancy Van Spronsen
Second: Neil Harris
Motion: Carried
- 4. Motion: Appointment of Ford Keast LLP as auditor for the year ending March 31, 2017.**
First: Nancy Van Spronsen
Second: Jean Knight
Motion: Carried
- 5. Ratification of Acts of the Board.**

- 9. Motion: That the Annual General Meeting of June 15, 2016 be adjourned at 4:45.**
First: Paul Coulter
Motion: Carried

MESSAGE FROM THE PRESIDENT

What an exciting time to become President of the Hutton House Board of Directors! As we celebrate our 65th anniversary, it is easy to look back on the achievements and contributions Hutton House has made to the London community and to the lives of our literally thousands of participants and their families over the years.

The 2016-17 fiscal year has been one of significant changes and transitions. With the retirement of Marilyn Neufeld after 32 years of exemplary service, it is a testament to her leadership and vision that the transition has been seamless and programs to adults with disabilities continue to grow and diversify. Our new Executive Director, Jeanette Dutot, also has years of dedicated service to the agency and made the change very easy. I have had the opportunity to get to know the Hutton House staff a bit more and am heartened by the breadth of talent and dedication that they bring to the organization. Similarly, the hours of volunteer time that contribute to keeping all of our programs operating efficiently distinguishes our agency and makes it a place that people want to be involved with.

The last year has seen some ambitious plans come to fruition. Our "Reframing Abilities – Art Show and Sale" at the downtown Arts Project was a huge success with 13 of our artists showcasing over 100 pieces of their art in the exhibit. This kind of community exposure and involvement is exactly what Hutton House has worked for over our many years in the London community. Our Strategic Plan has identified several areas of growth for our programs and participants are seeing the benefits of these goals in increased opportunities through our LIFEworks4 program, Pottery Studio revitalization and Cold Worn retail outlet at the Western Fair Market. We were excited to present the first annual Marilyn Neufeld Life Long Learning award to Faye Simmons at our Celebration of Learning event early in June. Finally, Hutton House has recently embarked on an accreditation process through FOCUS Accreditation and this will be an excellent opportunity for our agency to reflect and review our processes and policies, all with a view to ensure that the best possible services are provided to our participants and the London community.

On behalf of the Hutton House board of directors, I want to extend my sincere thanks to all of our supporters, funders, staff and participants for a successful year and exciting future.
Respectfully yours,

Jean Knight

Board of Directors

Dundas St. East at Ontario St.
(Saturdays - Second Floor near the elevator)
Hours: Saturdays Only - 8:00 am to 3:00 pm

Our handmade stoneware is available in new one-of-a-kind designs and colours.
Fabulous gifts for weddings, birthdays, anniversaries, or for your own collection. Come visit our store.

MESSAGE FROM THE EXECUTIVE DIRECTOR

Change is Us. Over the last 65 years, Hutton House has always been about change and the last 12 months has been no different. After 32 years Marilyn Neufeld retired as Executive Director in September and Judy Morris retired as the Artwork/Lifeworks and Pottery Manager after 26 years in June. With them went incredible knowledge and dedication to our programs and services. We also hired a new Finance Manager Joan Luchanko in May 2016.

As we move forward, current staff have assumed new roles and new staff have brought new skills to help us to support people who come to Hutton House everyday to achieve their goals and dreams.

Hutton House continues to focus on community involvement, skill building, leisure and wellness. We are proud to celebrate the accomplishments of :

- 200 individuals who secured employment
- 112 who volunteered in the community within not for profit organizations
- 195 who attended adult education programs to pursue their literacy goals
- 18 individuals who attend Day Break
- 197 members in the Fitness Centre in one to one training and group classes
- 242 individuals who participate in Artworks courses
- 26 participants involved in our Lifeworks programs

Our Pottery Studio is producing one of kind items for sale in our Gift Shop on Wonderland and at a new location at the Western Fair Farmers Market. Our booth at the market is a partnership with Novacks where we also sell selling outdoor gear and vintage military surplus goods.

The continued support of the Hutton House Foundation has made possible employing a participant at the Western Fair Farmers Market, the development of a new website, furniture and computer equipment as part of an expansion at the Learning Centre and hiring a part time staff as a Passport Worker to assist individuals and families with their planning and goals.

The Art Show at the Arts Project in March featuring the work of 13 artists from the Studio Artist program was a huge success. Over 70 paintings sold with opening night being well attended and a great vibe of excitement was evident for the artists accomplishments.

Lifeworks 4, a new lifeskills day program started in new space at 140 Ann St where Day Break is located. The group loves the downtown location to access many community amenities.

Within Adult Education, this fall, a lot of learners wrote poetry for our collection and we had an amazing poetry slam with guest Slam Poet Jason Martell, the Literacy Coordinator at Nokee Kwe who provided an introduction to the Slam Poetry scene and shared 2 poems with us. In the winter, learners brightened our days writing about what they thought was awesome and even got a facebook like from the author of the Book of Awesome Project. This spring, Hutton House began the first New Chapters Book Club in Ontario. It is a club for people with disabilities of all reading levels to share their love of books. Several Learner to Learner kits are about to go on our shelves. Literacy students have researched and created learning materials for other students. Throughout the summer, everyone is encouraged to share what Canada means to them as we celebrate our country's 150th birthday. The learners will put all the puzzle pieces together to create a large display.

We are also grateful for all the contributions from our volunteers and students who play a vital role in the work of the organization. They enhance the quality of services that we offer each day.

In one of my favourite books Man's Search for Meaning by Viktor E. Frankl , he writes that "The meaning of your life is to help others find the meaning in theirs." I think that Hutton House strives to achieve this everyday. Marilyn's work in creating and promoting our philosophy to "Respect and encourage personal choice and self direction" provides us with a strong foundation for moving forward. As we celebrate 65 years of Hutton Hosue, with your support, let us continue to follow the flow of growth and change in response to the needs in our community. I am grateful to be given the opportunity to do so.

Sincerely

Jeanette Dutot

Hutton House Volunteer Hours

We value and appreciate all of our volunteers who enhance Hutton House programs and play a vital role in helping us fulfill our mission and vision. In the 2016-2017 year, an average of 96 volunteers provided over 4,600 hours of volunteer service to our programs to benefit over 900 participants. Many thanks to all of our dedicated volunteers for sharing their time, knowledge and experience to impact so many lives in our community!

Roberta Derikx

Roberta Derikx, Volunteer Coordinator

“Volunteering is changing my learning and helping me gain experience. I like putting my effort into helping others feel happy and reach their goals.”
- Day Break Volunteer

Dick Foster Retires!

After 17 years with Hutton House, Dick will be retiring at the end of June. Dick is a great potter and wonderful support worker, and an awesome handyman. We wish him all the Best!

Congratulations!

TREASURER'S REPORT

I

am pleased to report on the financial position of Hutton House Association for Adults with Disabilities for the year ending March 31, 2017.

We received approximately \$3.4 million in various funding allocated for operating expenses during the year, primarily from the Ministry of Community & Social Services, the Ministry of Advanced Education and Skills Development, the Ministry of Employment and Social Development and the South West Local Health Integration Network. All funds were used to support

individuals through our three locations: Hutton House, the Hutton House Learning Centre and Day Break. Other revenue includes fees for service, the Hutton House Foundation, the City of London and donations.

Audited financial statements were prepared by Ford Keast LLP, Chartered Accountants providing an independent opinion on the financial position and operating results of Hutton House for the year ended March 31, 2017

The statement of operations indicates a current year deficit of Revenue over Expenses of approximately \$34,000 (2016 \$9,800 Surplus). In that we experienced onetime expenses in fiscal 2017, this basically reflects that we were able to deliver services within budget.

We were also able to rent additional facilities in Hutton House Learning Centre and Day Break premises which allowed us to expand the services we offer.

The audited financial statements of Hutton House are used in reporting to government agencies and are available to the public upon request.

We move forward in an excellent financial position with a surplus of \$1,030,000. Thank you to all of our funders, sponsors and volunteers for your continued support.

Peter Holland, Treasurer

Peter Holland

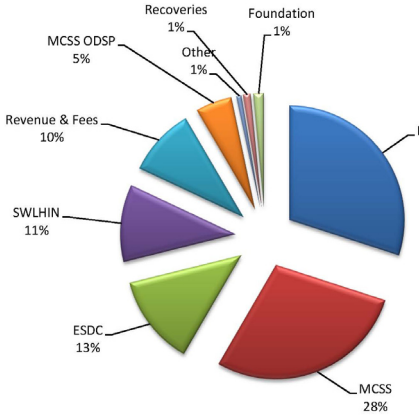

Audited Financial Statements are available upon request.

Hutton House Operating Results

Year Ended March 31, 2017

REVENUE:	
Government funding	\$ 2,909,598

MESSAGE FROM THE FOUNDATION

The mandate of the Hutton House Foundation is to provide financial assistance for organizations like Hutton House where a gap exists between program funding and program needs. It is only through the continued generosity of friends, families and supporters that the Foundation is able to assist with program essentials. Hutton House serves over 700 youth and adults and the Foundation is very pleased to be able to assist financially where needed. We are so very grateful for our supporters, donors and volunteers.

On behalf of the Hutton House Foundation Board,
Thank you all for your continued support!

Sincerely,

Dina Silvestro

The 20th Annual West Haven Charity Golf Classic for Hutton House was held on Wednesday, 13 July 2015. This is the single largest fundraiser for Hutton House raising \$36,600 in support of the 10 different programs offered at our 3 locations.

We are grateful for the wonderful support we received from our golfers, volunteers and many sponsors, especially our Tournament Sponsor, 3M Canada and our host, West Haven Golf & Country Club.

This is a fun event with a unique format! Golfers competing in 2 person teams play 6 Holes Best Ball, 6 Holes Scramble and 6 Holes Alternate Shot. Our entry fee includes lunch, golf and golf cart (shared), a spectacular gourmet dinner, prizes and lots of fun. Last year our Live Auction included such items as 2 London Knights Packages, a Wheel Barrow of Wine, a West Haven golf membership Package, and 2 Gourmet Dinner parties with the food prepared in the winner’s home by the West Haven Chef.

This year the 21st Annual Classic is being held on Wednesday, 12 July. Please consider joining us for some golf, or as a volunteer, or just for the fabulous dinner.

“: I would like to start off by saying my experiences at Hutton House have been just absolutely amazing. I have been through so many programs since I have moved here to London and I have to say Hutton House is the best. I have had so many helping hands when I was down and needed someone. Whenever I was not sure of something or stressed out there was always someone there to guide me through it all. The programs are just great. I learned so much information about the workplace, how to deal with customers, stress and how to deal with your emotions in the workplace. I really benefited from all of this because before I went into a workplace not knowing how to approach certain situations but thanks to Hutton House I learned the skills and now have the mindset to be able to be confident in a work environment. Overall my experience at Hutton House was amazing and I would recommend it to everyone around Ontario. .”
