Hutton House

Supporting youth & adults with disabilities

2017-2018 Annual Report

MISSION

Hutton House promotes and supports persons with disabilities through learning and life enhancing programs that focus on each individual's strengths, abilities and interests.

VISION

Persons with disabilities have equal access to participate in all aspects of community life.

PHILOSOPHY

The Hutton House philosophy is one of support, inclusion and a view toward participants and their families that:

- Fosters a climate of understanding and respect for the privacy, dignity and worth of each person.
- Respects and encourages personal choice and self-direction.
- Strives to support individuals by building on their strengths, abilities and interests.
- Promotes independence and involvement in the community.

VALUES

- We value inclusion and full participation in community life and will support and encourage individuals as they grow in their lives.
- We value the opportunity to collaborate and cooperate with other organizations to make the best use of community resources.
- We value excellence through competent staff and volunteers committed to high quality services and through accountability to the public and those we serve.
- We value innovation through the creative application of our resources in responding to current and emerging needs.

PRINCIPLES

- We will practice clear, open and honest communication.
- We will promote an environment where people feel safe, in control, comfortable and important.
- We will consider the needs of others and work together to achieve goals that cannot be reached alone.
- We will encourage participants to be actively engaged in directing their future.
- We will facilitate outcomes based learning as a means to achieve our Mission.

CUSTOMER SERVICE COMMITMENT

Our most important customer is YOU.

In a safe, supportive and respectful environment

We will work together

With open and honest communication

To enable you to discover and achieve your goals.

ARTworks

Walk through the halls of our Main Building on a Wednesday morning and you are treated to the joyous sounds of participants belting out the best karaoke in the Forest City. From Elvis to Madonna, sound tracks of modern movies and Pokémon cartoon adventures, participants sing in front of a big screen while enjoying the praise from fellow participants and instructors. In stark contrast, our always popular Adult Colouring group meets across the hall, where meditation music quietly plays on the big screen and the vibe is super relaxed. On Wednesday afternoon the drama room transforms into a hangout for men. The den for men is where the Men's Club plays cards, watches sports, eats snacks and works on projects with no one nagging them about whether they'll ever get done! While on Thursdays our Ladies' Club gathers to create lovely jewelry and crafts. They also try out new hairstyles and learn to make yummy food in the kitchen with no one complaining about the ingredients! Many of our participants also have a flare for drama and you will find them in our Theatre Group staging entertainment for all to enjoy. Bob, their long time instructor, says it's so beautiful to see people come out of their shell.

Fitness

Participants have enjoyed the Smoothie Bar classes, a 90 minute circuit and then socialize with a healthy smoothie. The Microwave Chef participants have been making healthy and cost effective meals and snacks. Due to its popularity we have added in a Mason Jar cooking class where they can be more creative with their meal prep. Fitness and Wellness along with ARTworks programming have partnered to create a class where the participants engage in artistic mediums followed by exercise. The Fitness and Wellness program was able to run a successful fundraiser in order for two of our participants to become personal trainers through Can Fit Pro. The purpose was to fill the gap of personal training for our participants with peer to peer approach. The Skills 4 Life program has been integrated into some of our fitness classes and are doing very well.

LIFeworks

The LIFeworks programs are in full swing and have had a busy start to 2018 year. Both LIFeworks 3 and LIFeworks 2 are at capacity, and LIFeworks 4 is almost there!

In addition to our booming programs, we have also begun piloting "LIFeworks Plus", a collaboration between LIFeworks and ARTworks for participants looking to try new things throughout the organization. The LIFeworks programs have built many great partnerships within the community such as Storybook Gardens, Moksha Yoga, and the Masonville Farmer Market, all of which have provided us with opportunities to volunteer in our community and build skills such as money handling. We also will be spending the summer collaboratively working on our community garden and visiting our local honey hives. All LIFeworks programs have done an excellent job fundraising in various ways, allowing them to save for big outings. LIFeworks 3 just returned on a trip to Niagara Falls, and LIFeworks 2 went to the African Lion Safari. LIFeworks 4 is currently planning their next big adventure.

JOBworks

JOBworks, fiscal year April 1st 2016-March 31st 2017..... It has been a productive year with the program and the first full year with Katerina White working together with Joe Gansevles. The program has been able to expand its goal of placing participants in meaningful employment that has offered our participants ongoing employment that lasts. JOBworks has been able to partner with many new employers during this period and have continued to increase the number of participants we are able to serve year after year. Moving forward to our next contract year it is our goal to increase ability to offer the same strong client and employer customer service. Our clients often note to us, that we helped them find their dream job.

MINUTES OF THE ANNUAL MEETING OF HUTTON HOUSE

June 21st, 2017

- 1. Call to Order**
The meeting was called to order at 4:35 p.m. by President Jean Knight who welcomed about 50 attendees on behalf of the Board of Directors. The meeting was held at the Wonderland Road location.
- 2. Motion: Approval of the Minutes of the Annual Meeting of June 15th, 2016.**
First: Jackie Madden
Second: Claudia Bayona
Motion: Carried
- 3. Motion: Approval of the Audited Financial Statements for the year ending March 31, 2017.**
First: Peter Holland
Second: Nancy Van Spronsen
Motion: Carried
- 4. Motion: Appointment of Ford Keast LLP as auditor for the year ending March 31, 2017.**
First: Peter Holland
Second: Claudia Bayona
Motion: Carried
- 5. Ratification of Acts of the Board.**
Motion: Be it resolved that all by-laws, resolutions, contracts, acts, proceedings, and payments of the Board of Directors and of the officers of the Association enacted, made done or taken since the last Annual General Meeting of members of the Association be and the same are hereby approved, ratified, sanctioned and confirmed.

First: Claudia Bayona
Second: Gord Nudds
Motion: Carried
- 7. Board Volunteer Service Awards**
- 8. Staff Recognition Awards**
- 9. Motion: Adjournment at 4:48**
Motion: That the Annual General Meeting of June 21, 2017 be adjourned.
First: Julie Watson
Motion: Carried

MESSAGE FROM THE PRESIDENT

How time flies... it is hard to believe that I am finishing my second year as Board President with Hutton House. It is exciting to think back and see what we have accomplished over the last year and how much I am still learning about the many Hutton House programs and services we offer to adults with disabilities across London.

I want to start by welcoming several new members to our Board of Directors and commend them for their enthusiasm and commitment to serving Hutton House and ensuring that our Vision that "Persons with disabilities have equal access to participate in all aspects of community life" is carried out. Additionally, the hours of volunteer time that contribute to keeping all of our programs operating so effectively certainly distinguishes our agency and makes it a place that people want to be involved with. Last, but not least, the board so appreciates the leadership and steady-hand that Jeanette Dutot, our Executive Director, provides to our agency so tirelessly. She and her staff team are second-to-none in their dedication and expertise serving more than a thousand participants in the last year. Reviewing budgets and Strategic Plan initiatives may not sound too exciting, but the Board has embraced these responsibilities and been very heartened to see how staff manage within some very tight budgets and continue to move plans forward that will meet the emerging needs of our agency and participants. We have been very fortunate to continue to receive funding and maintain the confidence of our many funders. Noteworthy over the last year is new funding that was received from the Ontario Trillium Foundation in support of our Pottery Studio, our Ministry of Employment and Social Development Canada GPS funding renewal and our new Skills 4 Life program in partnership with Fanshawe College. We are committed to working collaboratively with all of our community partners to ensure that services are available and delivered in the most efficient and accessible way possible for adults with disabilities in London.

We were excited to present the second annual Marilyn Neufeld Life Long Learning award to Dennis Clarke at our Celebration of Learning event in early May. Finally, the accreditation process through FOCUS that we started last year already is paying dividends in terms of helping us to look at everything we do with a new and critical lens to ensure that all our programs are efficient, effective and meeting the needs of the London community.

On behalf of the Hutton House board of directors, I want to extend my sincere thanks to all of our supporters, funders, staff and participants for a successful year and exciting future.

Respectfully yours,

Board of Directors

Executive:

President: Jean Knight
Treasurer: Peter Holland

Dundas St. East at Ontario St.
(Saturdays - Second Floor near the elevator)
Hours: Saturdays Only - 8:00 am to 3:00 pm

Our handmade stoneware is available in new one-of-a-kind designs and colours. Fabulous gifts for weddings, birthdays, anniversaries, or for your own collection. Come visit our store.

MESSAGE FROM THE EXECUTIVE DIRECTOR

As we move into our 66th year, Hutton House continues to move forward to support participants with innovative opportunities. When participants accomplish and achieve something or enjoy a new experience it is something we can all be proud of and celebrate.

Last June we started our journey with FOCUS Accreditation to improve the quality of our services and foster an environment of continuous learning. Dedicated staff have been working through 12 Standards identifying gaps in service delivery and working towards improvements. Our 3 year journey will be one that moves us along a new path of inspiration and creativity.

We are thrilled with the funding support of MCSS through the Employment and Modernization Fund to continue the Skills 4 Life program for another 19 months until March 2020. In partnership with Fanshawe College, the Applied Behaviour Analysis (ABA) approach used by front line staff has truly benefited the participant's growth.

With new 3 year funding from the Ontario Trillium Foundation we will be able to increase the number of pottery classes within the Pottery Studio. Our Summer pottery Sale included creations from these classes and we look forward to more contributions from pottery participants.

The Ministry of Employment and Social Development Canada's GPS funding investment for 2 years means youth will receive in class and work experience training to advance their employment goals.

Our Passport program has grown and we are now providing services to 30 individuals who receive Passport funding through Developmental Services Ontario. By offering this support we are able to assist individuals and families to manage their funds, recruit and hire support workers and/or explore new goals and develop plans to achieve them.

Over the past year we are proud of the accomplishments of :

- 400 participants who received support to find a job
- 152 participants who worked on their literacy goals
- 93 gave back to the community through volunteer work
- 277 who eagerly engaged in theatre, music, art, crafts, leisure and pottery opportunities
- 19 who developed more independence through lifeskills and community involvement at Day Break
- 100 who committed themselves to improving their fitness and overall wellness
- 30 who developed lifeskills and social connections in Lifeworks
- 12 participants achieving personal goals in Skills 4 Life
- 87 participants who gained self improvement skills and personal supports from Social Work

Your dedication to achieve your goals, to continuously learn and be engaged in an active and enjoyable lifestyle is what motivates all of us at Hutton House to continue to do what we do.

In the past year we have had a record number of placement students. Students bring a wealth of new knowledge and enthusiasm. It is an honour for us to be part of their learning experience.

We could also not do what we do without the support of over 100 volunteers who share their time and talents within a variety of programs and at special events.

So thank you to all the participants, staff, volunteers and students for your passion and commitment to continually learning and growing on a day to day basis. Author Brene Brown says it best " Let go of who you think you're supposed to be and embrace who you are." We are each of us perfect just the way we are.

Sincerely

Jeanette Dutoit

Celebrating the Value of Volunteering!

Over the 2017-2018 fiscal year, 111 volunteers gave 5,529 hours of service to Hutton House. This is a significant enhancement to the quality of our programs, provided by a small number of people, and speaks to the great impact that volunteers make!

Volunteers help us fill existing gaps by sharing their knowledge, skills and expertise, and provide us with fresh perspectives and new insights.

Beyond the economic value of volunteer support, volunteer impact goes above statistics to the qualitative, emotional impact that volunteers make. These results are often unseen, but keenly felt by both our volunteers and program participants. The rewards are in the ways that volunteering builds confidence, competence, and connections on both sides.

Volunteering is an action of community building as it involves connecting with others and building trust, and it is also an act of advocacy that can create change in our community.

We would like to thank all of our dedicated volunteers for the giving, caring and sharing that they do every day to create so much value for all here at Hutton House!

Roberta Derikx

TREASURER'S REPORT

Peter Holland, Treasurer

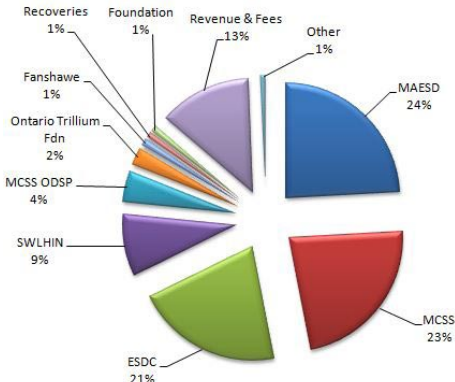

Peter Holland

Audited Financial Statements are available upon request.

I am happy to report that Hutton House had another successful year, and was able to complete all our Programs with a small surplus of \$18,694. This surplus represents less than 1% of our Revenue of \$3,775,506. My congratulations to the staff of Hutton House on their ability to monitor and control costs while offering wonderful programs to our clients. We are well positioned to continue this success into the New Year, and I am confident that we will have another successful year.

2019 Anticipated Funding & Revenues

MESSAGE FROM THE FOUNDATION

The Hutton House Foundation exists to assist with gaps in funding for programs that may or may not have funding from other sources and are a need in our community. Our annual golf tournament in July 2017 was a great day which allowed us to raise over \$30,000. We look forward to continued success with the 2018 tournament to be held on July 11, 2018. Please join us for what we hope will be another successful day.

On behalf of the Hutton House Foundation Board I would like to thank everyone for their continued support.

Without the support of Family, Friends, Volunteers and Generous Donations of time and money, we would not be able to provide the assistance required.

Sincerely,

Dina Silvestro
President

"Hutton House has provided me with a lot of opportunities. Their programs helped me build up the skills I needed to get back into the workforce. Everyone there has been polite, friendly and helpful every step of the way."
- OW, YER, GPS Participant

The 21st Annual West Haven Charity Golf Classic for Hutton House was held on Wednesday, 12 July 2017. This is the single largest fundraiser for Hutton House. We raised over \$37,900 towards continued learning and life enhancement programs for persons with disabilities. Our best result ever!

We are very grateful for the wonderful support we received from our golfers, volunteers and many sponsors, especially our Tournament Sponsor, 3M Canada, and our host, West Haven Golf & Country Club.

This is a fun event with a unique format! Golfers competing in 2 person teams play 6 Holes Best Ball, 6 Holes Scramble and 6 Holes Alternate Shot. Our entry fee includes access to the practice facility, lunch, golf and golf cart (shared), a spectacular gourmet dinner, prizes and lots of fun. Last year our Live Auction included such items as a London Knights Packages, a Maple Leafs Package including Accommodation, a Wheel Barrow of Wine, a West Haven Golf Membership Package, and 2 Gourmet Dinner parties with the food prepared in the winner's home by the West Haven Chef.

This year the 22nd Annual Classic is being held on Wednesday, July 11th. Please consider joining us for some golf, or as a volunteer, or just for the fabulous dinner.
