Hutton House

Supporting youth & adults with disabilities

2020-2021 Annual Report

With a grant from the United Way, Hutton House was able to deliver Meals on Wheels frozen meals to participants in need.

Thanks to Volunteer, Candida Carr-Harris for facilitating her fourth online Book Club. Her support for our program participants is a testament to, "The Value of One, The Power of Many!"

Many programs made the shift to virtual programming over the last year and we are grateful for the continued support of our dedicated volunteers.

Heather & Marina

Stir it up! Heather Morris & Marina Knox are having fun sharing their skills in our cooking programs.

Hutton House purchased items and put together Care Kits for participants with funds from the United Way grant.

MISSION

Hutton House promotes and supports persons with disabilities through learning and life enhancing programs that focus on each individual's strengths, abilities and interests.

VISION

Persons with disabilities have equal access to participate in all aspects of community life.

PHILOSOPHY

The Hutton House philosophy is one of support, inclusion and a view toward participants and their families that:

- Fosters a climate of understanding and respect for the privacy, dignity and worth of each person.
- Respects and encourages personal choice and self-direction.
- Strives to support individuals by building on their strengths, abilities and interests.
- Promotes independence and involvement in the community.

VALUES

- We value inclusion and full participation in community life and will support and encourage individuals as they grow in their lives.
- We value the opportunity to collaborate and cooperate with other organizations to make the best use of community resources.
- We value excellence through competent staff and volunteers committed to high quality services and through accountability to the public and those we serve.
- We value innovation through the creative application of our resources in responding to current and emerging needs.

PRINCIPLES

- We will practice clear, open and honest communication.
- We will promote an environment where people feel safe, in control, comfortable and important.
- We will consider the needs of others and work together to achieve goals that cannot be reached alone.
- We will encourage participants to be actively engaged in directing their future.
- We will facilitate outcomes based learning as a means to achieve our Mission.

CUSTOMER SERVICE COMMITMENT

Our most important customer is YOU.

In a safe, supportive and respectful environment

We will work together

With open and honest communication

To enable you to discover and achieve your goals.

Hutton House 2020/2021 Event Highlights

The weekend of June 4 – 7, 2020, Palasad restaurant generously donated \$890.00 to Hutton House from their Cook for a Cause event. Thanks to all those who participated and supported us and one of our local restaurants.

The Marilyn Neufeld Award was awarded to Cristhian Jimenez in October 2021. The ceremony was held outside due to COVID 19 restrictions with Cristhian's girlfriend and parents, his employers from the Boys and Girls Club as well as staff and Board members online including Marilyn from British Columbia! Check out the November 2020 newsletter In House on our website for Cristhian's inspiring story.

Adult Education hosted a viewing party November 9th of an adapted script of the Wizard of Oz from the online Book Club. The event included reporters on the virtual red carpet interviewing the actors. The laughter, enthusiasm, support, and hard work of the club members was captured on film and shared with proud parents and friends.

A virtual Christmas party was held December 17 with over 100 people attending! The event included a craft, trivia, and a fitness warmup before the dancing got under way. It was wonderful to see everyone dressed up for the occasion and the smiles the virtual connection created.

Hutton House in partnership with other service providers from across Ontario and the Ontario Disability Employment Network (ODEN) planned a conference on March 24 to provide an opportunity for businesses to learn and network with professionals and business leaders who are actively Rethinking Disability and to understand the benefits of inclusion and diversity. The virtual event included a plenary session with Josh Davies of the Centre for Work Ethic Development, breakout sessions, a panel session and networking rooms representing a variety of sectors.

We are looking forward to next year when we can come together and celebrate more often.

Staff meetings this year were held remotely which provided us with the opportunity to have a variety of guest speakers. We thank all of these speakers for generously sharing their time and information with us. Not only were the presentations helpful for staff themselves but also provided great information for us to share with participants.

MESSAGE FROM THE PRESIDENT

Like the world at large, as we face the challenges of the coronavirus pandemic and its impact on our daily lives, we have struggled with feelings of frustration and fear, but we have also attempted to make sense of the chaos around us by restoring our hope for a better tomorrow. One of my favorite quotes has filled my mind with these inspiring words:

“Hope is important because it can make the present moment less difficult to bear. If we believe that tomorrow will be better, we can bear a hardship today” – Thich Nhat Hanh

There is no doubt that difficult days are still ahead, and that the road in front of us remains rocky for some time to come. And yet, at Hutton House, we have been able to narrow into what is the most important, to simplify everything we are and stand for and focus only on that, our relationships with each other and our participants. This perspective has increased our ability to hope, which has allowed us to not just bear our hardships but plan for a better tomorrow as well.

As President of the Hutton House Board of Directors, I continue to be inspired by all of the quiet heroes that are our Hutton House staff, volunteers and participants. Impacted by provincial lockdowns and restrictions, Hutton House had to go back to the basics of what makes our organization amazing... and that is focusing on personal relationships. In the last year, participants and staff developed ways to remain connected and “plugged in”. Staff continued to work diligently and tirelessly to close the gap between needs and available services. An example of this can be seen by the ARTworks program, who was the successful recipient of the United Way Elgin-Middlesex Emergency Community Response Grant funded by the federal government. The grant was instituted to create Wellness Kits of supplies to do virtual arts and crafts and fitness activities and purchase iPads to loan to individuals who do not have access to technology. In other words, to increase connectivity and further develop personal relationships with our participants. This is but one of the many innovative efforts in which Hutton House staff led the way to a new normal, emphasizing stronger relationships with our participants. The reinstatement of some face to face programs was a wonderful and hope-filled moment in the lives of many participants as well. Overall, Hutton House is prepared for the next journey, in part, because they have never let go of their relationships with the people they serve!

I am especially grateful for the leadership of our Executive Director, Jeanette Dutot. She leads with her heart and soul. She is always willing to talk things through well past the end of her day. She is an example to us all and we are very fortunate to have her cool-headed approach and easy laughter at the lead. On behalf of the Hutton House Board of Directors, I want to extend my heart-felt thanks to all our supporters, funders, and amazing staff, volunteers and participants for a hope filled year! Let's do this again next year!

Sincerely,

Claudia Bayona

MESSAGE FROM THE EXECUTIVE DIRECTOR

Since our last AGM, Hutton House has continued to thrive despite the pandemic. This can be attributed to the ongoing support of our funders, the dedication and flexibility of our staff team, and the faith that participants and families have demonstrated by attending classes both in person and online while complying with individual screening, mask wearing and physical distancing requirements, enhanced cleaning precautions, and lockdowns and stay at home orders. Our Board of Directors have also been a tremendous support by closely monitoring our monthly financial position and program supports.

As we navigated our way through the last year, virtual programming was the biggest enhancement to our services. Highlights from this year include:

Employment Services: Staff developed online learning workshops as well as providing online assistance with resume writing, cover letters, interview preparation and networking skills. Staff were also busy providing on site job coaching and developing Employment Action Plans with each person. The Goals Preparation Skills (GPS) program funding was renewed and started a new 2.5 year project May 4 2020 with the first group being our first online offering within the organization. Due to the dedication of our staff employment teams, all targets for all employment programs were met and contracts renewed for 2021/2022.

Within **Day Break**, virtual services were expanded to include in person services February 8 2021. This has provided much needed social connections and respite for families.

All **LIFeworks** programs began offering in person services in November 2020 in addition to their virtual programs. Thanks to all who are adjusting to the public health guidelines.

Online **ARTworks and Fitness** classes ensured participants stayed active and engaged in fun learning programs in the past year. Staff created activity kits for each class, purchased supplies, assembled kits and delivered to those who registered. In person pottery classes that started in the Fall of 2020 have helped participants keep their creative juices flowing.

Adult Education – In the early days of the pandemic, wellness checks and social groups helped participants stay connected and get information about needed resources. Then the Adult Education program started offering fee-for-service tutoring for reading, writing and math skills over Zoom. Virtual group classes have been popular. The Thames Valley District School Board Gateway literacy classes have been meeting online and also include an independent work component. Volunteers and placement students helped in group classes and with course preparation.

The number of participants volunteering in the community through the **Access Voluntarism** program has declined due to the pandemic. Not for profit organizations are not offering as many services and therefore not utilizing volunteers at this time. Our volunteers look forward to when they can return to their volunteer roles and contribute back to the community.

Our **Social Work** services also moved on line and continued to provide referrals to community supports, counselling and workshops.

Grants

As part of a partnership with other Community Support Service agencies funded by the SWLHIN, a multi-agency grant was submitted to the United Way Emergency Community Support Fund. This grant enabled us to support seniors, adults with disabilities and caregivers with urgent needs during the ongoing pandemic. Meals through Meals on Wheels, COVID related care kits including basic needs, grocery cards and respite services were provided to participants. Over \$21,000.00 worth of meals were delivered by Hutton House staff between May 2020 to March 2021 to participants and families as well as care kits.

Hutton House received funding through the COVID-19 Emergency Community Fund to realign the ARTworks and Fitness programs to adjust to pandemic restrictions and the need for online programs. Items for activity kits were purchased, assembled and delivered to participant homes. Tablets were also purchased and loaned to individuals to enable them to participate in online programs.

In February and March 2021 funding through the MCCSS Mental Health Strategy allowed us to offer free virtual programming to enhance resiliency and wellness. 7 guest instructors offered yoga and meditation, theatre, song writing and cooking classes for participants and caregivers. A caregiver Facebook page was developed through this grant and continues to provide information and resources to families and caregivers. Classes were promoted throughout South Western Ontario helping us to reach participants from communities beyond London Middlesex.

An urban agriculture project received funding from the London Community Foundation to provide opportunities for individuals to grow food indoors using grow towers. Employment and leisure program participants will be able to benefit from this initiative as well as community agencies such as YOU, Growing Chefs, Anova and the London Food Bank with the results. The Medavie Health Foundation also provided funding towards this project.

Our Wellness Committee kept us active and connected and resilient even within a remote work environment through virtual walks and various activity challenges.

As we move into 2021, the organization looks forward to developing a new Strategic Plan and participating in the accreditation process with FOCUS Accreditation.

Thank you everyone for your dedication, participation in our programs and support over the past 12 months. We look forward to new possibilities and experiences.

Supporting youth & adults with disabilities

“The Value of One, The Power of Many”

The theme for National Volunteer Week, “The Value of One, The Power of Many”, reflects the inspiring acts of kindness that we have witnessed from volunteers in our community over the past year.

Throughout this pandemic Hutton House volunteers have kept their connection with us and have adapted to provide their support for our program participants in new ways whenever possible. They have shifted to assisting with research and prep of online program content and helping to facilitate Zoom book clubs, fitness, cooking and adult education programs. In appreciation, we highlighted virtual volunteers in our ad to celebrate National Volunteer Week. We want to thank all of our volunteers for their abiding support, flexibility and resilience throughout a challenging past year, and for growing with us into the future!

Roberta Derikx, Volunteer Coordinator

Board Retirements

Peter Holland

Peter Holland a Board member since 2014 retired from the Board of Directors in February 2021. Peter has been the Treasurer of the Board since September 2015. Peter helped to streamline our financial policies and procedures ensuring they meet current standards and practices. Peter continues his volunteer service with Hutton House as a member of the Hutton House Foundation and we hope to see him as usual at the Hutton House Golf Tournament. We wish Peter all the best and thank him for his generosity in sharing his knowledge and expertise with us.

Julie Watson

Julie has been a Director since 2016. As a Peer Support Mentor at Parkwood Hospital, she brought a very personal experience as it relates to persons with disabilities to our Board. She has a keen understanding of disability issues and is a true advocate for needed services in the London community. Julie is a dedicated, reliable and hands on Board member. Thank you for your support to Hutton House.

Michael Ketelaars

Michael has been a Board member since January 2018. Michael shared his knowledge in digital communications as a Digital Communications Manager at Libro Credit Union to help streamline our policies and procedures. We would like to thank Michael for his contribution to Hutton House and hope to see him back at Hutton House in the future.

Steve Hillier

While Steve was able to participate as a Director for a short period of time in 2020, we appreciated his enthusiasm and interest in supporting Hutton House. We would welcome his return in the future!!!

We welcomed new members Bill Mills, Troy Townsend, Duncan McLean and Kris Nyhout this year.

Congratulations!

TREASURER'S REPORT

I am pleased to formally present my first Treasurer's Report on the financial results for the year ending March 31, 2021 for Hutton House Association for Adults with Disabilities (the Association). In a challenging year for the Association, the team was able to adapt to new working practices and find innovative ways to continue delivering services to clients in a cost-effective manner. The Association experienced a revenue decrease of \$0.9 million (19%) from 2020, and in response were able to control expenses accordingly with a decrease in expenses of \$0.8 million (17%) from 2020. The end result is a net expense for the year of \$4,184.

The Association is in good condition from a liquidity perspective, with \$0.6 million (2020 - \$0.5 million) of cash on hand at the end of the year, positive working capital of \$0.9 million (2020 - \$0.9 million), and an Operating Fund balance of \$0.9 million (2020 - \$0.9 million).

On a prospective basis, the Association has so far received commitments for government funding of \$3.8 million for the 2022 fiscal year, providing a basis for the team to plan and budget programs accordingly.

The financial statements for the year ending March 31, 2021 have been audited by Ford Keast LLP and are available upon request.

On behalf of the Finance Committee for the Association, I would like to thank our funders & sponsors for your continued support and our finance team for their efforts in navigating through a year of uncharted territory.

Duncan McLean, Treasurer

MESSAGE FROM THE FOUNDATION

Well 2020-21 has certainly been an interesting year. Keeping everyone safe and out of harm's way became the main goal of everyone almost overnight. The most encouraging part of the year for me is seeing how so many people were prepared to help others and so many have risen to the occasion. It is heartwarming and encouraging to see the goodness that has come out of such a challenging time.

Although we postponed the 2020 Summer Golf tournament to the fall, we still had a good turn out and also did a Holiday Online Auction before Christmas that was very competitive and quite a lot of fun. It is difficult, at this moment, to say what the 2020/21 year will allow for but we will ensure keeping everyone safe will be the top priority.

Thank you to all of our many continued supporters and thank you to all of the people who have helped others in any way during these very trying times.

On behalf of the Hutton House Foundation Board, wishing everyone a safe and fun summer!

Dina Silvestro

Dina Silvestro

From an Employment Services participant:

"Every time I talk/talked to anyone from Hutton House, whether in person or through email, they were always so optimistic about my future and wanted to see me succeed. This in turn made me want to prove them right and try my hardest to do so."

Due to COVID-19 the 24th Annual West Haven Charity Golf Classic for Hutton House was moved to Monday, September 21, 2020. Despite the pandemic challenge, we had 62 golfers in attendance and were able to raise over \$25,000 for our continued learning and life enhancement programs for persons with disabilities.

Unfortunately on the day of the tournament we were unable to conduct our annual golf silent auction, instead holding an online auction in December. The golf tournament is the single largest fundraiser for Hutton House.

We are very grateful for the wonderful support we received from our golfers, volunteers and many sponsors, especially our host, West Haven Golf & Country Club. This is a fun event with a unique format! Golfers competing in 2 person teams play 6 holes Best Ball, 6 holes Scramble and 6 holes Alternate Shot. Our entry fee includes access to the practice facility, lunch, golf and golf cart (shared), a spectacular gourmet dinner, prizes and lots of fun.

Last year our Live Auction included such items as a London Knights Package, a Champagne Hot Air Balloon Flight for 2, a West Haven Golf Event Package for 12 with carts followed by a 3 course dinner with wine, and a Gourmet Dinner party for 8 at West Haven prepared by the club's Executive Chef. This year the 25th Annual Classic is being held on Monday, September 13th. Please consider joining us for some golf, as a sponsor, as a volunteer, or just for the fabulous dinner.
