GPS for Success

Hutton House has started out the year with exciting news for our participants. We've recieved \$1.5 million dollars in funding support from the government of Canada! Presented by London West MP Kate Young, on January 24th 2018, the investment was given to support Hutton House's Goals, Preparation, Skills (GPS) program over the next 26 months. GPS provides participants with 15 paid weeks of job support. Through the course of the 15 week program, three of those weeks are spent in class, where students can focus on building their skills, realizing their strengths, creating resumes and participate in practice interviews to prepare them for the future. For more information about GPS head to page 10!

www.huttonhouse.com

Adult Education

Visit from the Author!

Our first Book Club had a special visit from the author of Just an Ordinary Life. Connie Mitchell sat in as members of the club read her story on iPads. They were able to ask Connie and her husband Brian questions about the book and their lives.

The first Book Club read a variety of short stories. The second club read Charlie and the Chocolate Factory. Now they are reading Anne of Green Gables and voting is underway for the next book.

Our participants are excited for our upcoming future reads!

Book Club!

Learners used The Book of Awesome by Neil Pasricha as inspiration to write their own examples of awesome things. Their writing brightened our hallway and helped us focus on positive thoughts. When Hutton House tweeted about it, we got a like from the author!

Welcome Val!

We would like to welcome Valerie Kerr to the Adult Education team. Valerie is enjoying getting to know everyone and keeping things running smoothly. Feel free to stop into the Adult Education office if you have any questions or just to say hi. Learners can ask Valerie or Heather if they would like to set up a plan to earn badges and certificates for reaching their goals.

We Did It!

We met our goal! Learners read 150 books between Canada Day and the end of the year to celebrate Canada's 150th birthday. We filled a 'bookcase' with the names of the books that were read. Great reading and teamwork!

Pictured is a "book case" full of great reads, read by our team in celebration of Canada 150!

Memberships at the Hutton House Fitness Centre
are only \$15 per month!

Access Voluntarism

Kettle Campaign

Hutton House volunteers in the Access Voluntarism program generously gave their time in November and December to help at the Salvation Army

Kettle at Cherryhill Mall which helped raise \$2259.66. The Salvation Army raised a total of \$627,404 through the kettle campaign which will assist people in need through their various programs. The volunteers are always enthusiastic and spread cheer and well wishes to those that come by the kettle.

Pictured: James & Gerald, Barry & Rachel, Ryan & Dennis

Farewell Simone!

AV volunteer Simone Brennan retired from her volunteer job at the reception desk at the Learning Centre after 10 years of volunteering. Thank you Simone for generously giving your time to Hutton House!

Fitness & Wellness

Our Microwave Chef and Mason Jar cooking classes are getting very creative trying different recipes for Breakfast Lunch, Dinner and Desserts from all different ethnic backgrounds.

All participants have been encouraged to provide input on foods they want to try and we help them make it more healthy. They are also learning new skills and practicing existing ones while making new friends and enjoying great food!

As our fitness programs expand we have introduced a suspended resistance band class which is great for all levels of fitness and includes balance, core, grip strength and muscle condition work.

Our Fanshawe Fitness and Health Promotion co-op students are busy with participants in the gym as well as at our Day Break program which includes Lifeworks 4. Our 5 students have been implementing one to one programming, group classes and workshops on healthy living. They are fostering new friendships and everyone one is enjoying their workouts!

Volunteer Services

Walking The Red Carpet

We kicked off the holiday season in style as Hutton House program participants got to “strut their stuff” as models for the Cherryhill Mall Fashion Show in November. A crowd of over 400 spectators turned out for this fabulous event, and gave big cheers for our models as they showcased fall and holiday fashions from five stores. Thanks to our excellent MC, CTV News Reporter Nick Paparella, who kept the crowd engaged and entertained throughout the evening.

Through mystery swag bag sales, a raffle table with great prizes donated

by mall merchants and a grand prize draw for Leaf's tickets donated by Harris Funeral Home Ltd. with Via Rail transportation, over \$2,300. was raised to benefit Hutton House! The funds raised were used in part, to improve the automatic door system at our Learning Centre, improving the accessibility for all participants and visitors.

Our appreciation to Minto at Cherryhill, Cindy of Retail Detail, Juanita of Northern Reflections, and all of our prize donors, models and volunteers for the support they provided in making the event a success! The Fashion Show was a great opportunity for us to engage in the community and build awareness, inclusiveness and support for our programs and services.

Volunteer Opportunities

The Hutton House Golf Classic at West Haven is July 11th. Can you help on our event committee or day the of event? Contact roberta@huttonhouse.com for details.

Volunteers Share Their Abilities

Kudos to Hutton House volunteer Jane Morley for crocheting beautiful scarves like this one for the Regional HIV/AIDS Red Scarf project!

Volunteers Share Their Abilities

Everyone is having a blast learning some new dance moves at hip-hop class. Special thanks to the class instructor, Hutton House volunteer, Bernice Chan!

“Three words to describe my volunteer experience with this group are: socially vital, interesting, and funny!” says Book Club Facilitator, Candida Carr-Harris. “I really enjoy the freedom members have to read at their own level and pace, so everyone can relax and more fully

enjoy the book and each other’s company. It’s low stress and lots of fun! The conversations we have about what we’re reading are filled with interesting ideas and lots of laughter. Each and every member of our Book Club contributes to our social and academic success in some way or another, and I like that the most!”

*It looks like the cat in this photo is saying,
“Hey, what book are you reading?”*

If you’re interested in the Book Club too, contact Heather to register as a participant, heather@huttonhouse.com, and contact Roberta to learn about volunteering as a Book Club Facilitator, roberta@huttonhouse.com

We are always open to volunteers sharing their unique talents to provide a fun new experience for our program participants.

Do you have a particular skill or hobby, be it musical, dance, art, crafts, cooking or another specialty that you could share with a group? Contact our Volunteer Coordinator for special guest instructor opportunities! roberta@huttonhouse.com

Volunteer Awards

Each year, the Ontario Ministry of Citizenship, Honours and Awards Secretariat honours adult volunteers that have given five or more consecutive years of service to a group, and youth volunteers who have given two or more consecutive years of service to a group. Organizations are allowed to designate up to 6 adult volunteers and 3 youth volunteers only each year to receive the award.

We are pleased to announce that the following outstanding Hutton House volunteers will be recognized for their dedicated service in support of our programs & participants by receiving Ontario Volunteer Service Awards on Saturday, March 24th.

- Jean Knight, President – Board of Directors, 10 Years of service
 - Duncan Hunter, Adult Ed., 5 Years of service
 - Micheline MacDougall, Adult Ed., 5 Years of service
 - Ruth Ann Mills, Adult Ed., 5 Years of service
 - Mary Serna, Adult Ed., 5 Years of service
 - Brian Ysebaert, Reception, 5 Years of service
 - Jack Yin, Fitness Centre, 2 years of service
 - Virsika Yogeswaran, Fitness Centre, 2 years of service
- Youth Award Category

By sharing their time and abilities, they have all made a significant and lasting impact on the many lives they've touched at Hutton House.

Donor Corner

Our music and drama classes were excited to receive another generous donation this year. We've bought an autoharp, which is an easy to play stringed instrument. We're in the process of buying some recording equipment to enhance our Songwriting class, and some panels to absorb sound during our music classes.

Hutton House Best Buddies Program

The Best Buddies Friendship Walk will take place on April 14th in Victoria Park. We are coming together to walk, run, and wheel through the neighbourhood to raise awareness for accessibility and inclusion in London. Together, we can start a conversation. There will be food, music, and lots of fun! The walk promises to be a great time, hope to see you there!

This is a free event!

Passport Program

Hutton House offers a wide range of fee for service programs that participants can purchase using their Passport funds. Participants can also have Hutton House manage their Passport funds for the year; this option lets Hutton House take on the financial stress of the reimbursement funding model and also gives peace of mind that funds are being budgeted each month without the fear of running out of funds before year end.

Currently over 20 participants purchase support staff services from Hutton House; each support staff hired through Hutton House has completed mandatory yearly training (i.e.: WHMIS, First Aid/CPR, CPI to name a few) and is a Hutton House staff member.

There are currently 7 Passport support workers in the program supporting participants in the community for over 100 hours each week. Some things that support workers in the Passport program have helped with include learning independent living skills, securing volunteer jobs, attending community events, and help participants connect with their community in a wide variety of ways.

If you are interested in hiring a support worker through Hutton House please connect with Sarah McRae at (519)472-6381 ext 247 or sarah@huttonhouse.com

LIFeworks 2

It's official, there is no group more festive than LIFEworks 2 over the holidays! LIFEworks had a great couple of months celebrating the holiday season. We spent the last few months decorating Christmas trees, eating far too many pancakes, and dancing until our feet hurt at the annual Christmas party!

We have also welcomed some new friends to our gang, and are happy to report our program is

now full once again! We are so excited about the possibilities that a full program brings and all the adventures ahead.

We also received great news! Before the holidays we spent the day at the Hudson Bay Company's front entrance raising money for the annual Day of Giving. Since Hutton House

raised the most amount of money, we won a percentage of the sales on the Day of Giving! Our program was the recipient of some cash and can't wait to spend it on an adventure this summer!

Stay tuned for more adventures to come! We can't wait for what the spring holds!

Social Worker Services

**Can I
Help You?**

Our Social Worker can provide individual counselling to help with personal issues and in locating community resources. Support is also available to complete forms for various services including ODSP, housing, CPP and assistive devices.

For more information, contact:
Lisa Havens, MSW, RSW at 519-472-6381 ext. 240
lisah@huttonhouse.com

LIFeworks 3

Guess who has a new reputation around Hutton House as Masterchef's? We do! LIFEworks 3 has become a well

oiled machine in the kitchen, and you can find us cooking once a week. We pride ourselves on making most of our food from scratch, and we sell plates to main building staff for \$4.00 a plate to fund our next adventures.

Since we've worked so hard on our fundraising initiatives we have been able to go on

some amazing adventures! We recently used our money to go to River Valley Tube Slide and spent the day on the slopes! We had a blast and hope to return next year.

We also learned how to make Kombucha! We made this delicious fermented tea drink, and flavoured it with fresh ginger and raspberries. Talk about delicious! We are thankful for "Kombucha Joe" from the Learning Centre for showing us his way of making this unique drink.

We had a fun day at Budweiser Gardens watching Disney on Ice again this year! The skaters were amazing and we loved singing along to all of the classic Disney tunes!

So what's next for us? Well we are brainstorming for our next big adventure. We haven't decided where we are going yet, but we are sure it will be fun!

Welcome New Staff

Hutton House would like to welcome some new faces to the organization.

Asha Supaul is our new Marketing and Communications Specialist. Asha will be working to develop and implement marketing and communication plans to create awareness and promote Hutton House services for all our stakeholders and the London community in general.

Within the Passport program there are 2 new staff Angela Bertrand and Jan Philip Miksa providing individualized supports within the community and at Hutton House to persons in receipt of Passport Funding through MCSS.

At Skills 4 Life we welcome Nikki Flanagan as the new Program Instructor. Nikki is currently working on her graduate studies in ABA and we welcome her experience to Skills4Life.

In Artworks we welcome Barbara Stewart as a new instructor with special interests in visual and performing arts.

Angela Bertrand

New Funding

Pottery News!

Thanks to the Ontario Trillium Foundation, the Pottery Studio at Hutton House will deliver a project that builds on the success of our pottery classes to increase access to the arts for people with disabilities.

Over the next three years we will be offering more learning opportunities through extra classes as well as workshops.

The initiative supports the building of healthy and vibrant communities across the province. Our project commences April 1, 2018. Stay tuned to our program calendars (also available on our website: www.huttonhouse.com) for updated listings of classes.

Employment Services

GPS

The Goals Preparation Skills program (GPS) was very fortunate to have Kate Young come to Hutton House January 24, 2018 to make an announcement. She announced that Services Canada will provide approximately \$1.5 million in funding over 26 months through the Skills Link Program. Melody Forbes a past GPS participant gave a speech and mentioned how much Hutton House and the GPS program have helped her and she is still employed from placement at Booch Organic Kombucha. Other past participants were also in attendance and have continued to be employed from their placement at Home Hardware and Dominion Automobile Association. We were very grateful to have Sherry Sararas the General Manager of Wharncliffe Home Hardware come to talk about the partnership between Hutton House and Home Hardware and how taking participants on work experience placements have been very beneficial to her and her staff. It was a great event and wonderful to see so much support for youth employment.

GPS is a job placement program with 3 weeks of in class training and 12 weeks of placement. Participants need to fit the following criteria:

- Do you have a disability? (Anxiety, depression, physical barrier, learning disability, ADHD, ADD, epilepsy, etc...)
- Do you have little or no work experience?
- Are you between the ages 15-30?
- You have NOT collected Employment Insurance within the last 3-5 years
- Able and available to work 30 hours per week?

If you are interested in becoming a participant please contact Megan at 519-472-1541 ext 232.

If you are interested in becoming a work experience placement employer please contact Crystal at 519-472-1541 ext 230.

GPS Success Stories

Hutton House has partnered through a variety of employment programs since 2012 with Masse's No Frills grocery store at Colonel Talbot Road and Southdale Road on London's west side. Owner Richard Masse has always been willing to provide opportunities and employment to provide participants an experience in retail food service. These opportunities have many benefits for participants of Employment Services providing a valuable experience in a supportive environment to build skills. Hutton House values its relationship with Masse's No Frills and appreciates Richard and Nancy Masse's willingness to provide employment for participants.

Pictured is Richard Masse and participant Ashley Tenhor who was hired part time to work in the meat department.

Driving is my passion while helping others is what I do naturally.

Frank came to Hutton House Employment Services in 2013 wanting support to return to work. Frank had worked in various industries however when he finished his treatment for a medical condition, he was not exactly sure how to communicate the gap in his resume to employers. Frank started with updating his resume and attending workshops to learn about employer expectations, interviews and other employment related skills.

Frank also took an interest in Hutton House's Fitness Centre to keep busy and to improve his health, which wasn't a hard task to commit to seeing how he is also a personal trainer himself. He later took computer classes to improve his computer skills so that he would have a competitive advantage to employers.

Frank continued to focus his time on his fitness plan while also volunteering at Hutton House Fitness Centre over the last 3 years. During this time, Frank was successful in gaining his CANFIT Pro Certification with support and guidance from Hutton House Fitness Instructor Kristy Hoornick.

This year, Frank has had the opportunity to put his passion and personality to work with VOYAGO/VOYAGEUR transportation services, where he has been employed. Frank is able to assist driving kids to school as well as working as a Charter driver both locally and throughout Ontario.

Frank has never been happier; he can do what he loves and get paid to do it!

Jennifer has been participating in Hutton House programs since 2002. She began working with Access Voluntarism and volunteered at Childreach and with Chelsey Park retirement home. In 2006 Jenn was hired by Professional Warehouse Distributors where she was responsible for demonstrating a variety of food items at Costco North. Since then, Costco has changed distributors but Jenn has stayed on.

We asked Jennifer a few questions.

What is your favourite part of your job?

"Talking to customers about how they enjoy the product I'm demonstrating. I like to learn more each day about giving good customer service." Jennifer was asked what makes her happy and she said she is "happy being a mother" and she "likes to work. It all makes her feel really good."

What's your favourite part of working with Hutton House?

"I like that I have been able to learn new things. I have learned how to make resumes and send cover letters, how to find and apply to jobs, and how to speak with employers. I am more confident. I always feel respected and trusted when talking to staff at Hutton House."

When you were with Artworks, what did you enjoy?

"It was awesome. I learned how to make jewellery, cook and bake."

When with Adult Education, what did you learn?

"I worked with a tutor who helped me learn to tell time, math, and read better. It was very helpful."

What other programs have you participated in?

"I was part of a women's group and liked that I could be open and honest with other women. Also, I went to the Hutton House gym where I had a personal trainer and went to classes. I loved having someone to talk to about personal health topics."

So, the next time you visit Costco North make sure you say hi to Jennifer and try some of her delicious treats!

Need help to find a job?

We support individuals with:

- Physical, Developmental, Learning Disabilities and Mental Health needs
- Limited Education and/or Work Experience

We Get It! We Can Help!

FindWork@huttonhouse.com

Board of Director's News

The Hutton House Board of Directors is pleased to welcome 5 new faces within the last year: Tilda King, Bryan Smits, Cindy Smythe, Jon Lavkulich and Michael Ketelaars. We look forward to working together to provide effective and sound governance, ensuring we are meeting the needs of all stakeholders. Welcome and thanks to the new Board members for your interest in supporting the work of Hutton House!

Pottery

During cold and snowy days the best place to be is in the pottery studio getting your hands dirty.

This past January pottery students learned how to make a set of three ceramic tiles using stamps, textured

rollers, and heart shape cutters. After the tiles were made they were fired in our kilns, glazed by the participants and fired again, all in time for Valentine's Day. The results were great – everyone's tiles were different and unique to the maker.

Karaoke Choir

Our Karaoke Choir group had the pleasure of having a local group of ukulele players play a show for them. Six members of the Southern Ontario Ukulele Players (or

SOUP, as they like to call themselves) played a number

of upbeat, sing-a-long worthy favourite songs like "Jambalaya" and "I'm a Believer". Participants from the Lifeworks program came and joined us for the concert, and lots of people were up dancing. We were lucky to have such a talented group of players come and share their music with us! SOUP meets for a weekly open jam on Wednesday nights at the London Music Club, and they welcome players of all levels.

Mixed Media

Mixed media is a visual art form that can be two dimensional or three dimensional. It is an art form in which more than one medium is employed. It combines different painting and drawing materials and methods, rather than one single medium. Any materials are used, including collage items such as pages from magazines, newspaper, photographs, fabric, soil or packaging materials. Our class brought in many materials from home and made a personal statement with their creations!

Acrylic

Painting Class

Acrylic paint is a fast drying paint made of pigment, suspended in an acrylic polymer emulsion.

Acrylic paints are water soluble but become water-resistant when

dry. Many different techniques have been taught in this fun class; we have successfully accomplished a number of fabulous paintings!

Art Therapy

We will be offering Art Therapy sessions this Spring! Art therapy is a form of expressive therapy that uses the creative process of making art to improve a person's physical, mental, and emotional well-being. These groups are for anybody looking to be creative with art materials! Theresa will teach you how to participate in art therapy and guide you on a journey of self-exploration.

Clay Critters

Our popular Clay Critters pottery class has been cranking out some amazing animals this session. Inspired by the Snowy Owl, we used the slab roller and some texture tools to create this project! We look forward to giving them some colour in our next phase, glazing!

Art Movement

Our Art Inspired by Movement class creates a variety of art projects! We started off the winter session by “getting to know you” with this relaxing name activity followed by a light workout/stretch before the end of the day. This is definitely a “feel good” kind of class!

Theatre Troupe

After completing The Mostly Forgotten Christmas Actors Guild show the group is putting together a murder mystery called “To Die For”. This show will be ready for performance in mid April and promises to be hilarious. We

will keep you posted when and where. We all hope you can make it to our show because we believe it will simply be “To Die For”.

Golf!

Who ever said, you can't play golf in the winter in Canada boy were they misinformed. We at Hutton House have been swinging all winter long, thanks to Joe and Sue Barnes and their incredible coaches. Participants are learning to putt, chip and hit the Big Dog indoors. The hope is to improve your fundamentals enough that it makes a noticeable difference in your game. This course is open to all and will teach everyone how much fun golf really can be. See you on the Tee!

LET'S

\$50 per person

Bowls of Love

ARTWorks Facilitators have incorporated volunteer appreciation gifts into their program! Participants are having fun creating little pottery bowls as appreciation gifts for Hutton House volunteers. There is an array of colours to choose from and each bowl is unique. What a nice memento for our volunteers to receive!

Day Breaking News

Day Break has experienced a few changes since the last newsletter. We have had two participants move to group homes. They are missed but we are excited for the next journey in their life. We welcomed a new participant this month. We also welcome Kaitlyn, a new staff member to join our team.

Our coordinator, Amy, is expecting a baby in March. The participants and staff planned a surprise Baby Shower for her. Everyone did a great job at keeping it a surprise. The decorations were beautiful. We played several games and enjoyed the yummy food. Yes, she was surprised! The following is a note that Amy received at the shower.

Halloween was celebrated with spooky treats and scary games. Day Break was decorated with ghosts and very creative pumpkins. Volunteers, Jane and Julianne, brought their creative craft ideas to us. The participants really enjoyed doing the crafts.

Jane and Julianne came to Day Break with Christmas crafts for us to make. Everyone had so much fun. Jane played Christmas carols on her recorder and we sang along with her. Thank you, Jane and Julianne. Staff and participants prepared our annual Christmas dinner with all the fixings.

Participants were treated to pancakes on Pancake Day (Shrove Tuesday). The pancakes were piled high and smothered in syrup. There was plenty of red and white worn on Valentine's Day. We had fun a day of Valentine Bingo, Heart Tic Tac Toe, a memory match game and a smash game with chocolate kisses for prizes. Participants handed out treats and valentines to their friends.

Over the next few months, we are looking forward to new adventures and celebrating the upcoming holidays.

RED CROSS FIRST AID/CPR AT HUTTON HOUSE!

Hutton House is excited to announce that we are now a Canadian Red Cross Training Partner offering First Aid/CPR and AED courses to participants, partnering agencies and employers as well as the general public.

Recently we have provided training to dental offices, and the London Language Institute. Upcoming groups include London X Ray Associates and Beach Comber Hot Tubs.

- Our qualified facilitator provides a learner-centred training plan that will keep participants engaged
- Small group settings provides the means to offer additional supports
- Programming will be offered at the Hutton House Learning Centre in Cherryhill Village Mall
- Access to free parking, food court and grocery store
- Participant subsidy may be available, please speak with staff

COURSES OFFERED WILL INCLUDE:

Standard First Aid/CPR – level C

- 14 hours of teaching time
- Learn adult, child and baby CPR and use of public access defibrillator (AED)

Standard First Aid & CPR-C Recertification
(Current SFA/CPR C certificate required)

- 7.5 hours of teaching time
- Receive updates and refreshers

Emergency First Aid

- 7.5 hours of teaching time
- Includes first half of Standard First Aid course

*Anyone who registers must be able to demonstrate the required skills contained within the course as well as complete the testing.

Non-Certification courses will also be available for individuals with a general interest in learning about First Aid.

In February, our instructor offered a specialized course for parents and grandparents to learn how to help a child/baby who is choking or use CPR. If you have a need for a particular type of class or group that needs training let us know.

For more information, to inquire about prices
or to book a course, contact
